Re: Change Authorization No. CG4-25307C – Mount Stuart Well

Dear Mr. Akers:

In response to your request, you are hereby granted an extension to begin construction for the reason below:

- Securing property ownership for the proposed well has been delayed due to conditions imposed on the property, which must be met first.

The new deadline to submit your *Construction Notice* is **October 1, 2014**. Due to the length of time it has been since this Change was authorized (2004) it is unlikely Ecology will consider further extensions in the Beginning of Construction stage.
